

Bike parade in Hofstade

 60km  4h  360m

 Starting point: Basilique de Koekelberg

Never cycled past Zaventem airport? Then this cycling route to Hofstade is right up your street!

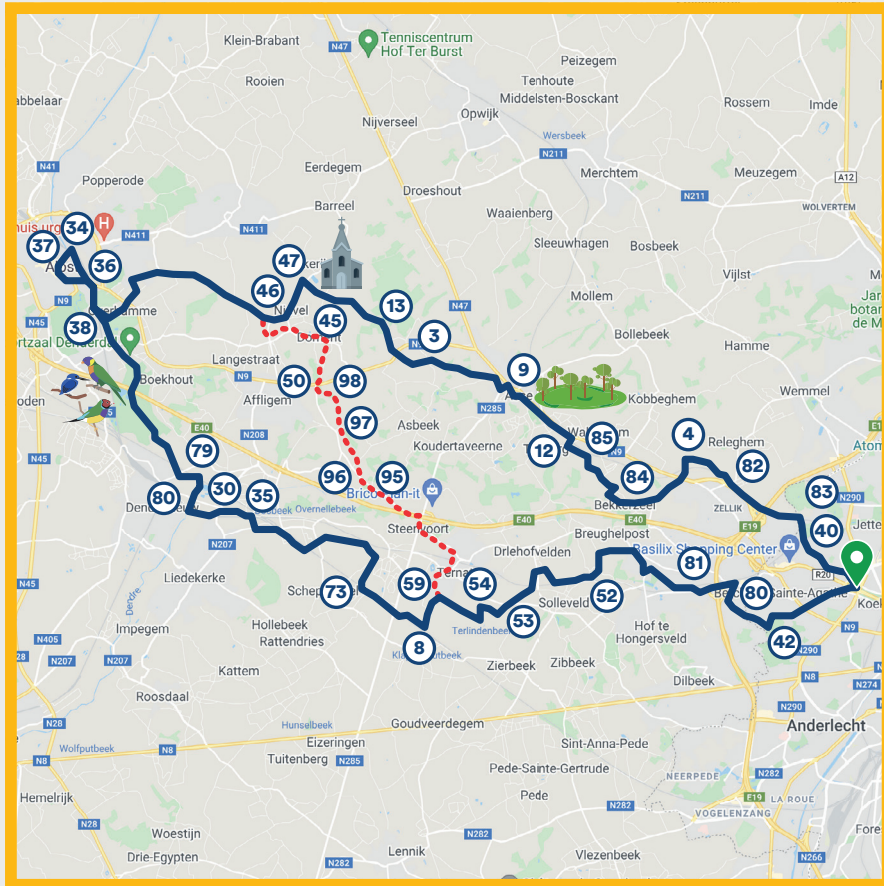

Watch the planes land and take off from the spotting platform in Nossegem or Steenokkerzeel, and take a short break in the Hofstade Domain with its ponds and beach. Fancy an extra-speedy ride? Sprint down the Jaagpad along the river Zenne. Be sure to watch out for other bikers and pedestrians though, you courteous cyclist!

Finish your trip with a drink in hand on the Heldenplein (Heroes' Square) in Zaventem. Did you take this route in the other direction? Then a visit to the Marga Pavilion in Diegem is a must do, too!

Happy biking!
