Starting point: Grand-Place

Eight ambassadors from different parts of the world reveal their favourite corners of Brussels. Discovering them by bike couldn't be easier. Just follow our "Ambassadors' itinerary".

This bike route shows you Brussels in all of its facets. It's pretty perfect, whether the city is new to you ... or you just want to enjoy its beauty once more. Officially, the ride sets out from the Grand-Place 🇧🇪, but feel free to latch on anywhere you like. Soak up some culture in the heart of Brussels as you cycle past Flagey 🇧🇪, the Royal Palace, the Mont des Arts and the Sablon 🇧🇪. Onwards, then, time for some in-between green. The Bois de la Cambre 🇩🇰, the Leopold Park 🇩🇪, the Woluwe Park 🇩🇪, the Royal Park 🇧🇪 and the Cinquantenaire Park 🇩🇪: they're all covered. Be sure to grease up those muscles and joints, though!
